The school's best parent information resource.

No. 11 26 April 2016

A MESSAGE FROM THE LEADERSHIP TEAM

Hi All

I would like to congratulate all members of our school community who joined us yesterday for the ANZAC Day march with our community at Thuringowa. We had a large number of students, staff and parents marching with us on the day. It is always a proud moment for us when we can be out as a school in our own community behaving in such an amazing manner. Our students were truly Kelso Proud.

Congratulations to our school captains who accompanied Mrs Lubbe to the dawn service and represented our school by laying wreaths.

From left to right:

Tania M (school captain), Amy H (school vice-captain), Kira W (school vice-captain) and Grace T (school captain)

DISABLED PARKING

I would like to remind parents that the disabled carparks in the staff parking areas are for the exclusive use of disabled persons with the necessary permissions and disabled stickers. It is disappointing to note that these are being used by parents for pick up in the afternoons, leaving our disabled parents stranded with nowhere to park. I ask the support of all parents in rectifying this situation.

Regards

Patrick McDonnell
(Principal)

KIDS MATTER

SET LIMITS ON INAPPROPRIATE EXPRESSION OF EMOTIONS

It is very important for children to understand that it is okay to have a range of emotions and feelings, but that there are limits to the ways these should be expressed. While acknowledging children's emotions, it is therefore very important to set limits on aggressive or inappropriate behaviours.

Head Lice scratching for answers

What treatment kills 100% of head lice or eggs?

There is no single treatment that kills 100% of head lice or eggs. Whichever treatment you choose it can take time and persistence to get rid of head lice. Use a method that will not risk the health of your child.
